GAYLORD NATIONAL RESORT & CONVENTION CENTER
NATIONAL HARBOR, MD

A MESSAGE FROM THE ESICA PRESIDENT

On behalf of the ESICA Board of Directors I would like to invite you to ESICA's Annual Spring Conference. Join us May 4 - 6, 2011 at the Gaylord National Resort & Convention

Center, National Harbor, MD. The Gaylord Hotel is located on 300 acres of prime real estate along the scenic Potomac River in Prince George's County. National Harbor is the new gateway to the National Capital Region. This spectacular urban-waterfront community offers stunning views of downtown Washington, D.C. and Old Town Alexandria, and is just a 15 minute drive - or water taxi ride - to the heart of the nation's capital. This might be a perfect opportunity to bring your spouse or a guest and spend a few days exploring the area.

The conference will begin with the Associate's Reception, Wednesday evening. A good time to meet new people and reconnect with old friends in the industry.

The meetings begin early Thursday morning. Our speakers will be Tom Haun, Apprentice & Training Director International Heat & Frost Insulators and Allied Workers and Mike McMillin, President & General Manager of Comput-Ability, Inc.

The afternoon will be spent on the golf course, touring D.C. or just hanging around. You decide. We have dinner planned at Bond 45, an Italian Kitchen Steak & Seafood restaurant on National Harbor.

You don't want to miss this conference. Call today and make your reservations at the hotel and go online to www.esica.org and register.

I look forward to seeing you May 4 - 6th at ESICA's Spring Conference. New members are always welcome!
